# FACT SHEET
# for potential host professors at the University of Vienna (UNIVIE)

**Erasmus+ International Incoming PhD | Winter Semester 2026/27**

**What professors at UNIVIE can expect when hosting an international PhD researcher within the Erasmus+ International funding scheme**

**Quick facts:**

- Focus of stay: Research activities at UNIVIE within the scope of a PhD thesis
- Timeframe: Winter semester 2026/27 (01.10.2026-28.02.2027)
- Duration of stay: 60-90 days, exact dates can be agreed upon individually between host professor and PhD student
- Funding: Erasmus+ grant (€900/month + travel support) provided to the PhD student by the International Office
- No funding from your department is required during the PhD student's stay
- PhD students are responsible for arranging housing, visa, insurance, etc. individually

**What hosting entails:**

- Invitation: Provide an invitation letter confirming your agreement to host the visiting PhD student for a fixed period
- Work plan: Agree on a research plan (e.g. objectives, methods, milestones)
- Signatures: Sign the provided Erasmus+ documents (at the beginning and end of the stay)
- Workspace: Facilitate reasonable workspace and access to facilities (please note: Enrollment at UNIVIE for Visiting PhD status is organized by the International Office)
- Meetings: Offer regular check-ins to guide research progress and address questions
