Academic Degree
BA in Social Work

Goal of the Program
Based on the mission of Tbilisi State University, the mission of the BA program in Social Work is to educate professional level social workers who will use the knowledge and skills gained from both general education courses and social work courses for improving social well-being of citizens of Georgia, their families and the communities.

The mission of the program serves implementation of following:

- Introducing theoretical knowledge of Social Work to the Students;
- Development of standard of competence in Social Work and preparing high qualified Social Work Practitioners;
- Integrating professional and academic standards into practice and providing continuous education for social workers;
- Prepare high-qualified Social Workers, which will be able to improve the degree of social protection and popularize the profession of Social Work Practitioner.

Program Results:
After the completion of the program BA in Social Work the successful graduates will:

- Acquire fundamental knowledge in Social Work; apply theoretical knowledge in the Social Worker's everyday practice.
- Analyze the values of Social Work and their influence on practical activities; apply practice relevant to the Code of Ethics of Social Work.
- Strengthen vulnerable groups and social agencies' users to overcome existing discrimination and pressure in society.
- Bring into play social-physiological grassroots of human and group behavior to identify dynamics of inter-human relationships through practice.
- Acquire knowledge on relevant legislature and programs relevant to social work and ways of their practical exercise.
- Have deep knowledge of Social Work methods and their effective implementation in practice.
- Have knowledge for effective evaluation of their practice; integrate research findings into practice.

Fields of Employment:
After successful completion graduates will have relevant theoretical knowledge and practical skills for working on following social problems:

- Children, Women and Family Welfare;
- Ageing;
- Human Rights Violation;
- Juvenile justice;
- Trafficking;
- Physical and Mental Disabilities;
- Homeless, Economic Instability;
- Unemployment; drug-addiction, alcoholism;
- Prostitution;

Accordingly, employment perspectives of the graduates of BA program will depended on governmental and non-governmental organizations working in the above-mentioned fields.

Opportunity for Further Education:
The Bachelor degree in Social Work is relevant to the education level of Practitioner Social Worker. Interested persons in continuing study in Social Work may apply for participation in the program of MA in Social Work at Tbilisi State University.

Practicum is one of the important components for the program BA in Social Work. Various types of organizations will be involved in the practicum development, such as:

- Organizations, working in various sectors (governmental bodies and local NGOs);
- Organizations, working with various target groups (children, adults and families, older people, retarded people, criminals and etc);
- Organization, working with various clients (individuals, groups, families, community)
- Various types of Organizations (Residential organizations, day care centers, hospitals and etc)

**Notes:** The students should earn 875 hours totally, which per year is 291 hours and 10 hours in a week (two days in a week), within the framework of Social Work Practicum (practicum will cover 3, 4, 5, 6, 7 and 8 semesters).

Thematic Distribution of working hours for student during practice placement in the organization is follow:

- Face to face work with Client - 2.5 hours;
- Case study – 1.5 hours;
- Working with Practice Placement Coordinator – 1 hour;
- Involvement in organization’s current activities – 1 hour;
- Professional development and training – 2 hours;
- Self-evaluation – 1.5 hours;
- Evaluation of organization – 0.50;
The student defines practice development plan with the Practice Placement Coordinator, which illustrates in details activities led by students in organization. The Practice Placement Coordinator approves the plan.

* * *

Besides, above-mentioned tasks major specialty curriculum includes preparation of BA Thesis (ECTS 10 credit).
